

» **Videos are stuttering/jumping in Communication Coach:**

If you find that your videos are stuttering in lessons or in Recommended Resources and you are using Chrome to run Communication Coach, follow these directions below to prevent this.

<p>1. Open Chrome and click the three dots in the upper right corner.</p>	
<p>2. Then click on "Settings"</p>	
<p>3. Scroll down to "Advanced"</p>	

4. Scroll down to 'System' and turn off the setting 'Use hardware acceleration when available'.

5. Re-start Chrome.
