

» **How to turn on/off the registration button on the login screen? (Company Admin)**

<p>1. To turn on/off the registration button, you will need to login to the company admin account.</p>	
<p>2. Once in the company admin account, select Settings in the upper right dropdown.</p>	
<p>3. Click on the Register tab.</p>	
<p>4. The switch will be blue if it's on and white if it's off.</p>	
<p>5. The changes will take place immediately.</p>
