» **How do I change my default browser to one compatible with Selection Coach?**
(Windows 8 and below)

** Only Chrome, Firefox, and Opera are compatible with Selection Coach.

1. On your computer, click the Start menu.	
2. Search for or click on Control Panel.	
3. Click Programs > Default Programs > Set your default programs	
4. On the left, select Google Chrome, Opera, or Firefox.	
5. Click set this program as a default and press OK.
