» **Graphics and/or text is getting covered by the blue bar when I'm in Record and/or Review mode – How do I fix it?**

1. When you are in Practice Mode and you have this issue (graphics and/or text is covered by the blue bar at the bottom): **- Press control (Windows) or command (Macs) + the plus/minus button to maximize or minimize your browser**	
2. This is how your screen would look if you press **control/command + the plus button**	
3. This is how your screen would look if you press **command/control + the minus button**
